(b) Rationale

The SPHE curriculum has been taught in Scoil na mBuachaillí, Ardacha for many years through various programmes and initiatives such as Stay Safe, Walk Tall, Relationships and Sexuality Education and through our involvement in the Active Flag. It has also been taught through integration with other subject areas such as Physical Education, Religion, Geography, Art, Music etc. We wish to outline clearly our formal whole school plan for the teaching of SPHE.

We believe in striking balance and we encourage the cultivation of strong relationships within the school and community.”

Content of Plan

Curriculum:

1. Strands and Strand Units:

The curriculum is delineated at four levels—infant classes, first and second classes, third and fourth classes, and fifth and sixth classes—and is divided into three strands: Myself, Myself and others, and Myself and the wider world.

Each of these strands is further subdivided into a number of strand units or topic areas that contain particular objectives.

Scoil na mBuachaillí, Ardacha will teach aspects of all three major strands each year and strand units will be chosen in such a way that the child will receive a comprehensive programme in SPHE over a two-year period. Scoil na mBuachaillí, Ardacha have created this timetable to reflect this approach.

Year one is a school year beginning in an odd number. E.g. year one is 2021/22

Year two is a school year beginning in an even number. E.g. year two is 2022/23

Month	Year 1	Year 2
September/October	Self-identity (Myself)	Myself and my family (Myself and others)
November/December	My friends and Myself other people (Myself and others)	Relating to others (Myself and others)
January/February	Safety and protection (Myself)	Growing and changing (Myself)
March/April	Making Decisions* (Myself)	Taking care of my body (Myself)
May/June	Media education (Myself and the wider world)	Developing citizen ship (Myself and the wider world)

*Making decisions is only a strand unit from 3rd – 6th, Juniors – 2nd may complete the Safety Issues section of Safety and protection at this time. Due to the increased number of lessons in the Stay Safe

Programme from 3rd to 6th class, placing the strand unit Making decisions after the Safety and protection in a standard two year plan will enable the teacher to achieve some of the content objectives of Making decisions through the Stay Safe Programme.

2. Stay Safe Programme:

‘All primary schools are required to fully implement the Stay Safe programme. The Stay Safe programme for primary schools plays a valuable role in helping children develop the skills necessary to enable them to recognise and resist abuse and potentially abusive situations’. (Child Protection Procedures for Primary and Post-Primary Schools 2017, P. 67).

The Stay Safe programme will be taught in Scoil na mBuachaillí, Ardacha in its entirety as part of the two year cycle of SPHE. All teachers will outline this clearly in their individual planning documents.

3. Contexts for SPHE:

SPHE will be taught in Scoil na mBuachaillí, Ardacha through a combination of the following contexts:

This time can be used to develop and practise particular skills, deal with sensitive issues or explore issues that are not addressed in other areas of the curriculum. To use this time effectively it may be more appropriate for the teacher to organise it in block periods and use it as required rather than confining the time to a set period in each week.***
